

Ultimate Frisbee Carpool Permission Form

*This form must be signed by the parent or guardian
of a student who intends to play Ultimate*

Dear Parents,

Radnor Ultimate Frisbee is considered a club. This means we have the endorsement of Radnor High School, but Ultimate Frisbee is not a “school sponsored sport”. Therefore the students are responsible for their own transportation to practice and games.

If you are comfortable with your student getting a ride from a licensed driver (on occasion the driver may be a Radnor High School student) we must have your written permission on file. If you are not comfortable with your student being in a carpool then you must provide transportation. This form must be returned as soon as possible. In addition I accept responsibility knowing that this permission form is on file for the extent of my child’s career at Radnor High School. If I deem it necessary to remove such consent, I shall notify the person in charge of transportation of the RHS Ultimate Frisbee team in writing of my intent.

_____ My student has permission to get a ride from a licensed Radnor High School driver (parent or student) to go to practices if they are not at the high school, games, spinning or any other activity relating to the Ultimate Frisbee Club.

_____ My student does not have permission to get a ride from a licensed driver (parent or student). We will provide our own transportation
